

STUDY HINTS FOR FINAL EXAM -- AUTUMN 2007

Questions on the final exam that relate to material covered for exams 1 and 2 will be based on the concepts contained in the following previous exam questions from this quarter:

Exam 1: #'s 1, 3, 9, 10, 11, 19, 21-30, 32, 34, 35

Exam 2: #'s 4, 6-8, 13, 16-22, 28, 32-34

As you may have guessed, these are the questions that many students missed. Be sure to study the material related to these questions as the wording for the questions and possible answers will not be the same.

You would also be wise to study the final exam (exam 3) from Autumn, 2006, as there are quite a few good, relevant questions there.
